**Read the text below about the Foster family.**

**Graham Foster:** "Hi! My name's Graham. I live in Hampshire with my daughter, Lisa, but we'd like to move to Manchester, a city in the north of England. Our favourite football team is Manchester United, and I've got a new job in a construction company there. I'm a builder, but I don't like building houses. I like working on big buildings like shopping centres and hotels. In Manchester, there's a lot of work.

We want a flat in the south of the city because Lisa's new school is there. We've got a dog and two cats, and I don't smoke. I'd like to have a flat near a park because I like going running in the morning, and Lisa loves taking the dog for walks.

**Lisa Foster:** "I'm Lisa. I live with my Dad. I'm fourteen years old, and I'm in my third year at secondary school. In my free time, I go shopping with my friends, go to the cinema and watch DVDs. I haven't got my own DVD player, however. I always go to my friend's house to watch films. I don't want to leave Hampshire because I've got lots of friends here, but at least in Manchester I can see my favourite football team play. Dad and I want to see them play every Saturday!
